

To whom it may concern,

In 2019, the **Colac & District Chamber of Commerce & Industry** engaged **Roseneath Creative** to produce all its video content for use in the presentation of the **Colac Otway Business Excellence Awards**. This included a wide range of subject matter ranging from introductory videos through to industry and award specific video production.

We were very pleased with the professionalism, product quality and service we received from Roseneath Creative with all finished product being delivered within agreed deadlines.

We would certainly consider using Roseneath Creative again in the future.

Alex McKenzie
President
Colac & District Chamber of Commerce & Industry
